

FESTIE TIMELINE

2021-2022

SEPTEMBER 27 & SEPTEMBER 29 (THE BEGINNING)

September 27: The day we were accepted into FEST and totally a day I remembered before the jeopardy trivia night

September 29: The initial hangout! The day we met all the directors and fellows festie while throwing water balloons at the top of Central Campus Parking Garage

FALL RETREAT OCTOBER 2 & OCTOBER 3

October 2-3: The day of the Fall Retreat! This was when we not only got to play a bunch of fun activities (ie kickball, tug a war, and egg toss) but also the night we stay over at D1 Complex which I would rate a 3/10 would not sleep again... the ground was simply too hard

*Also celebrated Aidan P's and Mandalyn's Birthdays!

FIRST GENERAL MEETING OCTOBER 6

October 6: First Ever Meeting! This was the day where we not only played our first pre-committee beta match (Yes Chef), but where we also talked about dues (so you know there was no turning back from this point)

COMMITTEE REVEAL OCTOBER 15

October 15: This was the day we started off in separate locations and would eventually meet up with our soon to be fellow committee members. We then were drafted in the MSC to the committee that I'm sure we all have come to love and see as a second family.

Committee Photos revealed on next slide :)

HAL-FLO-WEEN OCTOBER 22ND

October 22nd:

Everyone can agree that this was the best FEST event because we all picked up some hottie for the night ;)

BIG LITTLE REVEAL NOVEMBER 4

November 4:

This was the day we got to meet our official bigs through a lineup of beautifully decorated cardboard boxes and so far hopefully make some great memories with and learn from their experiences as upperclassmen.

Also it was Hammy's Birthday!

FLOBOWL NOVEMBER 7

November 7:

Flo bowl, we lost both games and got disqualified but we had a GREAT time.

Also it was Schmitz's Birthday!

FESTGIVING NOVEMBER 20

November 20: A Friendsgiving but for Festies. This day not only included the traditional game of football and great food but also games of spikeball, volleyball, and a campfire chat (with an actual fire!) to round out the day.

FESTMAS DECEMBER 1

December 1: Not only did we do Secret Santa where some festies introduced themselves to each other for the first time but also the day where we were kicked out of Rudder and did our gingerbread house contest outside the MSC.

← That "boat" will always look like a coffin to me 

FEAST MIXER JANUARY 23

January: A great way to startup the second semester with some totally friendly kickball games and a fun way to catch up with everyone after the well-needed break from the always lovely schoolwork and exams.

ICE SKATING FEBRUARY 6TH

February 6th: Ice skating is so fun!! Especially when you go with your FESTIES!!! It was so much fun to watch young budding love on the ice, awwwww. And also watching people slip and fall on cold hard ice was incredible.

VALENTINES FEBRUARY 17

February 17: ROSES!!! This was the day we got to show our appreciation to our fellow festies that have impacted our lives in what one might say a lovely way through a simple rose and even possibly allowed some people to use this opportunity to admit a secret crush? Only the writers will ever know

SPRING RETREAT FEBRUARY 26 & FEBRUARY 27

February 26: A day spent carpooling with our favorite people to spend the day driving to Dallas to the Make-A-Wish Foundation of North Texas to write cards and later sleepover at our assigned lovely and gracious hosts

February 27: All I have to say is rain can't stop us

FLOC MIXER MARCH 5TH

March 5: was fun, we are way better at capture the flag because we are not cheaters (* Josh and Andrew are also not cheaters they were just playing for FLOC as they were shunned by their fellow festies and took that personally)

GUYS & GIRLS NIGHT MARCH 10

March 10: The day where the guy directors reached peak beauty thanks to the girl freshman master skills in makeup and fashion sense while the girl directors gambled (responsibly of course) more than 12 pies to the face with the guy freshman

This is the yassification of FEST

BIG EVENT MARCH 26

March 26: A day we gave back to the community of College Station through manual labor.

THE BIG EVENT

SHACK-A-THON MARCH 27TH - APRIL 1ST
